

2017 Photocopier Tender (Reference No. 161728)

31 March 2017

Addition to Tender Specifications:

1. 20-30ppm printing as stated in the RFT is the minimum and preferred but we accept multiple or higher options as well.
2. References to volume of print and cost to print in the RFT relates to A4.
3. Photocopiers will be installed on different networks.
4. We specifically do not require any security/cost recovery software option for the Photocopier as we have our own.
